- CO issuance since 1898, towards +120 countries
- 130,000 COs issued in 2012 (40% of eCOs)
- ATA Carnets issuance since 1963, towards +72 countries
- 7,500 ATA carnets issued in 2012 (+90% applied online)

## The Foreign Trade Facilitation Department

A local business

*support french exporters in their customs procedures*

A national business

*head of the french CCI network*

An international business

*part of various committees on COS and ATA Carnets*

## Why do we support ICC/WCF international CO accreditation chain ?

*To strengthen our role as COs issuer*

*To strengthen our role as trusted third party (credibility !)*

*To be recognized as such by customs administrations*

*To be connected to the verification website*

Why are we calling for the international acceptance of eCOs ?

And first of all... what do we mean by eCOs ?

Why are we calling for the international acceptance of eCOs ?

To facilitate and accelerate the application of COs  
*(increase the quality of service)*

To secure transmission of COs  
*(Smoother and safer operations)*

To streamline customs clearance  
*(To be consistent with the public policy)*

**As a conclusion...**
