## ICC Asian Antitrust Conference: Fostering a Culture of Compliance

Featuring a workshop based on the newly released *ICC Antitrust Compliance Toolkit*

### Objective:

To enable a genuine exchange between the ICC Competition Commission and the Asian antitrust community on issues and concerns important to business and agencies.

### Who should attend?

Business representatives, government officials, academics, and professionals wishing to learn more about competition enforcement and compliance issues. Participants will hear practical tips on establishing an antitrust programme from an international panel of ICC experts and engage in an insightful dialogue with business and competition agencies from Asia.
