

# Improving Antitrust Compliance and Looking East

**A dialogue between agencies and business**

Organized in conjunction with the ICN annual conference

**Date:** Monday 22 April 2013

**Time:** 14:00-18:00 followed by a cocktail

**Venue:** Sheraton Warsaw Hotel, Salon CDE  
Bolesława Prusa 2 · Warsaw 00-493 · Poland

## Objective

This roundtable will enable a dialogue between senior officials from competition agencies worldwide and business executives on how to improve antitrust compliance using the ICC Antitrust Compliance Toolkit as a springboard for discussion. Panellists will also debate on current antitrust concerns in Eastern Europe. This high-level forum will provide an opportunity for participants to take part in an interactive and stimulating discussion and get insights directly from regulators and business experts.

## The ICC Antitrust Compliance Toolkit

The ICC Antitrust Compliance Toolkit is designed as a practical tool for companies wishing to build a robust compliance programme. Over 30 compliance experts worldwide contributed concrete, targeted insights on key aspects to be considered when aiming to embed a successful compliance culture, from conception and resourcing to implementation and review. The Toolkit should assist companies from all sectors and of all sizes, including SMEs.
