

Since the June SBI Workshop...

Our thinking is evolving...

- **Responsive to Context**
 - UN consideration of institutional frameworks for international sustainable development governance
- **Responsive to UNFCCC Process**
 - Operationalizing new architecture
- **To interface with implementation-related agenda items**
 - at meetings and in between meetings
 - formal and informal
 - working and high level

Strengthening Business Engagement

- **Business Consultative Channel**
 - Recognized/utilized
 - A multi-window structure
 - Business organized and funded
 - Coordinating/reinforcing
 - **Next Step: Pilot or Demonstration phase for the GCF and/or Technology Mechanism**
- **High-level sessions:**
 - Roundtable format – a discussion that informs the ministers' consideration
 - Substantive dialogue – continuity vs. anecdotal one-off
 - Building “the house” from the bottom up
