## The ICC Institute of World Business Law

The ICC Institute of World Business Law acts as a think-tank working closely with the ICC International Court of Arbitration. It is composed of 44 members of 23 nationalities, all experienced professionals or academics in international business law or international commercial arbitration.

Created more than 30 years ago, the Institute provides research, training and information to the legal profession concerned with the development of international business law. In line with its philosophy of excellence, it proposes publications, trainings and conferences on different topics related to international business law.
