

Seminar on Mediation

Conference to be held at the Diplomatic Club, Roshana Room in Doha, Qatar
18 February 2013

Objective

The International Centre for ADR of the International Chamber of Commerce (ICC), the Centre for Effective Dispute Resolution (CEDR) and Allen & Overy extend an invitation to attend a seminar on the benefits of incorporating the mediation process into major construction projects in Qatar.

Mediation is internationally regarded as a very cost-effective and efficient means of resolving construction disputes, reducing the risks of costly conflict and delay. This seminar will provide participants with a comprehensive insight into its usage, along with options as to how best to use it.
