

URDG MASTER

Comprehensive online training in URDG 758 and demand guarantees

Course overview

12 hours of online training and instruction in URDG 758, the rules governing the operation of demand guarantees.

■ Demand Guarantees

Provides a firm foundation in the operation of demand guarantees and counter-guarantees and outlines the scope of application of the URDG 758 rules.

■ URDG 758 Examined

Provides an article-by-article analysis of the URDG 758

■ Case Studies

Covers key aspects of demand guarantee work, including: applying for a guarantee; issuance, amendments, transfer, assignment of proceeds and payment of demand guarantees and counter-guarantees.

■ Assessment Module

Provides a comprehensive assessment for trainees to test their knowledge of demand guarantees and URDG 758.
