5th WORLD CHAMBERS CONGRESS 4-6 JULY 2007

Organized by ICC World Chambers Federation, the World Chambers Congress is the only international forum exclusively designed for the global community of over 12 000 chambers.

More than 1 200 top chamber leaders from at least 100 countries are expected to attend the 5th World Chambers Congress in Istanbul.

WHY SHOULD YOU EXHIBIT?

Your organization's participation at the World Chambers Congress guarantees worldwide exposure to a wide range of chamber of commerce professionals, the gateway to small and medium-sized enterprises.

This is your ideal opportunity to:

- Target millions of businesses worldwide via the international chamber network - chambers of commerce are synonymous with the voice of small and medium-sized enterprises;
- Promote your products and services to high profile business leaders from around the world;
- Access the business community in Turkey - where SMEs represent 90% of all businesses
- Carry your message first-hand to both high-level and operational chamber leaders from around the world who can, in turn, work with you to attract new clients on the ground - from Washington to Kathmandu;
- Explore new partnerships and networks, business opportunities with business and chamber leaders from around the world;
- Introduce your brand to over 1.200 delegates from at least 100 different countries;
- Market your organization's services, latest initiatives and activities to extend your international network; and,
- Promote the trade and investment opportunities of your country, region and business community.

Be at the center of this exceptional networking and meeting point to identify possible communication channels with delegates, which could mark the beginning of successful business relationships
