If you would like to attend, please register by returning this registration form. Attendance is free of charge.

AFIA Symposia are not focused on a particular topic, but instead rely on contributions made by participants. As in the past, the Symposium will be conducted in an informal atmosphere intended to encourage contributions or questions related to international arbitration from all participants, irrespective of their level of practical experience in international arbitration.

The preliminary programme for the Symposium is as follows:

1.30pm	Registration
2.00pm	Session 1
3.00pm	Coffee Break
3.30pm	Presentation by Mr Michael Hwang, SC
4.00pm	Session 2

Participants are encouraged to submit by Friday, 22 August 2008 any questions or topics for discussion to James Konidaris at jkonidaris@hgr.com.au.

The questions or topics chosen for discussion will be notified to all participants prior to the Symposium. Participants who have submitted questions or topics may be asked to introduce these at the event. If you wish to submit a question or topic for discussion but do not want your name to appear on the topic list, please let us know and one of the conference chairs will introduce the topic on your behalf.

For examples of discussion points, please refer to past editions of AFIA News located on AFIA's website: <http://www.afia.net.au>.
