Subject: Newsgroup for Former ICC Interns

Dear Former Intern,

As you know, ICC has for many years welcomed interns from all parts of the world to follow the work of its International Court of Arbitration and the Secretariat of the Court. We have always very much appreciated the great interest you have shown in our Dispute Resolution Services. We hope that you have by now become convinced ambassadors for our services.

I have always regretted, however, that we have not been able to keep in contact and that there is no vehicle for exchanging views, informing you of what is happening at ICC and for you to let us and all other former interns know what you are experiencing in your activities.

We have therefore decided to create a Newsgroup, which will offer a platform for exchanging views and keeping each other informed of recent developments.

Should you wish to join, I would ask you to complete the attached form and return it to Ms Mélanie Meilhac (mmh@iccwbo.org). I apologize that the Conditions of Use are somewhat formal, but you will doubtless understand that modern legislation obliges us to take certain steps.

I have great hopes for the Newsgroup and look forward to this new way of keeping in touch.

With best regards.

Yours faithfully,
