PLEASE JOIN US FOR AN
INTERNATIONAL CHAMBER OF COMMERCE SIDE EVENT ON

BUSINESS VIEWS ON A POST 2012 FRAMEWORK AGREEMENT

Wednesday 10 December 13:00-15:00 • Hall 15C – Room Wild Sheep

Business will be responsible for the vast majority of investments and technological resources required to mitigate and adapt to climate change in developed and developing countries. This event, hosted by the international Chamber of Commerce, will provide global business perspectives on the development of a post 2012 UNFCCC framework.

MODERATOR:

Laurent Corbier, Chair, **ICC Environment and Energy Commission**

PANELISTS:

- Nick Campbell, Chair Climate Change Working Group, **BUSINESSEUROPE**
- Brian Flannery, **USCIB**
- Yoshito Izumi, General Manager, Corporate Social Responsibility, **Taiheiyo Cement Corporation**
- Rita Choudry, **Federation of Indian Chambers of Commerce**
- Daniela Stump, Coordinator of Environmental Law Department, **Pinheiro Pedro Advogados**

Refreshments will be provided.
