

**Business & Industry
Global Dialogue 2008**
UNEP Annual
Consultative Meeting
23-24 October 2008

Co-hosted with the International Chamber of Commerce (ICC),
at ICC Headquarters, 38 Cours Albert 1er, 75008 Paris, France

AGENDA

Thursday 23 October 2008

- 09:00 – 09:30 Welcome & Introduction - *Plenary Session*
- Sylvie Lemmet, Director, UNEP DTIE
- Opening address
- Guy Sebban, Secretary General, ICC

Climate Change and Industry – A dialogue on sectoral responses

- 09:30 – 09:50 **“Sectoral approaches to climate action – Complementary opportunities or dead end?” – keynote presentation by Richard Baron, International Energy Agency (IEA)**

- 09:50 – 10:40 **Panel discussion**, addressing the questions:
- (i) What is a sectoral approach, and what have been proposed?
 - (ii) What is the status of current discussions, post Accra, on (national / global) sectoral approaches?
 - (iii) Can sectoral approaches boost technological change and cooperation?

Panelists:

- John Christensen, Head, UNEP Risoe Centre on Energy, Climate and Sustainable Development (moderator)
- Michel Colombier, Scientific Director, Coordinator of Climate Programmes, Institut du développement durable et des relations internationales (IDDRI)
- Ned Helme, President, Centre for Clean Air Policy (CCAP)
- Andrei Marcu, Senior Climate Change and Emissions Trading Advisor, Bennett Jones
- Ichiro Maeda, General Manager, International Affairs, Federation of Electric Power Companies, Japan

- 10:40 – 11:00 **Coffee/Tea break**

- 11:00 – 11:20 **“What is viable, efficient and effective? Industry views on sectoral approaches” – introduction by Jonathon Hanks, Incite Sustainability**

- 11:20 – 12:30 **Panel discussion**, on do-ability and potential efficiency of sectoral approaches in advancing change in technology and capacity

Panelists:

- Nick Campbell, Chair of ICC Task Force on Climate Change (moderator)
- Dominic Waughray, Head of Environmental Initiatives, World Economic Forum
- Ian Christmas, Secretary General, World Steel Association
- Patrick Verhagen, Corporate Environmental Relations, Holcim Group and WBCSD Cement Sustainability Initiative
- Vaidhyanathan Raghuraman, Senior Advisor, Confederation of India Industry (CII)
- Heinz Leuenberger, Director, Environmental Management Branch, United Nations Industrial Development Organization (UNIDO)

12:30 – 14:00

Lunch

14:00 – 16:00

Discussion in break-out groups on approaches and feasibility (do-ability, efficiency) of different models from an industry sector and public policy view

Groups will be formed along three / four industry clusters (*e.g.* extractive industries, manufacturing, services *and* infrastructure incl transport, power generation, construction).

16:00 – 16:20

Coffee/Tea break

16:20 – 17:10

Report in plenary back from the Working Groups

Including remarks by Achim Steiner, Executive Director, UNEP, from New York

17:10 – 18:30

Closing session on “The way forward, global to local”

Panel discussion (1 hour) addressing the questions: (i) Lessons from the group discussions on what is feasible, efficient and effective? (ii) What political and regulatory frameworks are required, from the global to national level.

Panelists:

- Claude Fussler, Director, Caring for Climate, UN Global Compact/UNEP/WBCSD (moderator)
- Laurent Corbier, Chair, ICC Environment & Energy Commission
- Julio Cardoso, Directorate-General Enterprise, European Commission
- Kevin Nassiep, Chief Executive Officer, South African National Energy Research Institute (SANERI)
- Adrian Lema, Advisor, Ministry of Climate and Energy, Government of Denmark
- Michela Beltracchi, Policy Director, International Emissions Trading Association

- 09:00 – 09:30 Opening of second day - *Plenary Session*
- Sylvie Lemmet, Director, UNEP DTIE
- Opening address
- Michael Muller, Parliamentary State Secretary, Germany

Resource Efficiency - Sustainable Consumption & Production

- 09:30 – 10:30 Resource Efficiency in a world of scarcity and abundance:
A new, strategic approach – introduced by Arab Hoballah, UNEP**

Panelists:

- Jacqueline Cote, ICC Permanent Representative Geneva (moderator)
- Stan Robijns, Environmental, Health & Safety Manager, 3M
- Ulrike Ebert, CR Director, Environment, The Coca-Cola Company and UNGC CEO Water Mandate
- Raimund Bleischwitz, Co-Director, Material Flows and Resource Management, Wuppertal Institute for Climate, Environment, Energy
- Dej Churdsuwanrak, Director, Committee on Resources & Environment, Thai Chamber of Commerce

- 10:30 – 11:00 **Coffee/Tea break**

- 11:00 – 12:30 The Marrakech Process, towards CSD 18/19:
The 10 Year Framework of Programmes on SCP – an introduction
to the proposed way forward by Mohan Peck, UNDESA**

This session will focus on business perspectives and mutual expectations as to the form of engagement and content of the Marrakech Process and its Task Forces on e.g. sustainable products, sustainable lifestyles, SMEs

Panelists:

- Arab Hoballah, Chief, SCP Branch, UNEP DTIE (moderator)
- Cheryl Hicks, Assistant Programme Manager, World Business Council for Sustainable Development
- Bjarne Pedersen, Deputy Director, Consumers International
- Anabella Rosemberg, SD / Occupational Health Policy Officer, International Trade Union Confederation (ITUC, TUAC-OECD)
- Melissa Rizzo Battistella, Director, TEAR Programme, Instituto Ethos, Brazil
- Marina Franke, Manager, Global Sustainability, Procter & Gamble

- 12:30 – 14:00 **Lunch**

- 14:00 – 15:30 Parallel break-out groups**

Participants will be invited to attend, based on their preference, one of the three groups listed below. Each of these groups will discuss (i) preferred regulatory instruments and standards to improve resource efficiency, (ii) needs to promote investment and speed up change, and (iii) how to reflect this in the 10 YFP and partnering with UNEP.

- i. Sustainable Products (including materials stewardship) – group to be chaired by John Atherton, Senior Program Director International Council on Mining and Metals (ICMM)
- ii. Responsible Value Chains (including suppliers, SMEs) – group chaired by Claude-André Lachance, Government and Public Affairs Director, Dow Chemicals
- iii. Sustainable Lifestyles (including relation to MDGs) – group chaired by Marina Franke, Manager, Global Sustainability, Procter & Gamble

15:30 – 16:00 **Coffee/Tea break**

16:00 – 16:45 **Report in plenary back from the three working groups**

16:45 – 17:45 **Closing session on “Moving to the resource efficient and climate friendly society”**

Panel discussion addressing the questions:

- (i) What business in all regions needs to promote energy efficiency, water efficiency and materials efficiency, whilst addressing climate change.
- (ii) Resource productivity and labour productivity – lessons from the social dimension.

Panelists:

- Jonathan Hanks, Incite Sustainability, South Africa (moderator)
- John Evans, General Secretary, Trade Union Advisory Committee, TUAC / ITUC
- Janet Asherson, Environment, Health and Safety Adviser, International Organization of Employers (IOE)
- Julia Haake, World Wildlife Fund (WWF) France
- Peter Poschen, Senior Advisor Sustainable Development and Climate Change, Policy Integration Department, International Labour Organization
- Stephan Albrechtskirchinger, Director Communications & Outreach, World Energy Council (WEC)

17:45 – 18:00 **Closure and Next Steps**, by Sylvie Lemmet, Director, UNEP DTIE, and Laurent Corbier, Chair, ICC Environment & Energy Commission
