International Chamber of Commerce

*The world business organization*

# ICC Institute of World Business Law

presents the 2<sup>nd</sup> edition of:

## The Institute's Prize

### About The Prize

The ICC Institute of World Business Law's Prize aims to contribute towards the understanding and progress of international commercial law around the world and to support those engaged in focused research on legal issues affecting international business.

The Institute's Prize is designed to recognize excellent legal writing in the field of international commercial law, including arbitration.

International Chamber of Commerce  
The world business organization

### The ICC Institute of World Business Law

The ICC Institute is a think-tank composed of 44 members of 23 different nationalities.

### Information

- It is open to doctoral dissertations and long essays (around 250 pages).
- These can be drafted in French or English, the two official languages of ICC.
- These must be on international commercial law (including arbitration).

For complete information on the entry conditions please consult the Institute's Prize website at:

[www.iccinstituteprize.org](http://www.iccinstituteprize.org)

**Closing date for entries: 1<sup>st</sup> July 2009**

It was created almost 30 years ago, to provide research, training and information to the legal profession concerned with the development of international business law.

It proposes, in line with its philosophy of excellence, training, conferences and publications on different specific topics related to international business law.
