World Chambers Federation

Dear Sirs!
Dear colleagues!

The Chamber of commerce and industry of the Republic of Tajikistan presents its highest consideration to you.

In our letter No. 01-29/179 dated 03.03.2006, we have already appealed to you with the proposal to conduct World Chambers Congress in the capital of the Republic of Tajikistan – Dushanbe city.

The Republic of Tajikistan gained its independency in October 1991 and took the way of establishment of democratic state.

During the integration epoch, the open door policy is the most promoting integration of the Republic of Tajikistan into world community and is strengthening its authority at the international arena.

Tajikistan is undergoing a stage of market reforms which are implemented on the background of political stability of society and national unanimity.

The Republic of Tajikistan is situated in the south-east part of Central Asia. It borders on the Republic of Uzbekistan and Republic of Kyrgyzstan in the west and north, Chinese Peoples Republic in the west, and Islamic Republic of Afghanistan in the south. Tajikistan is a mountainous country; mountains occupy 93% of its territory.

By January 1, 2004 the population of Tajikistan was over 6 million people. Nowadays representatives of 120 nationalities and nations live in Tajikistan.

Tajikistan possesses unique by its volume and variety deposits of mineral, raw material, and hydropower resources including coal, oil, gas, salt rock, mercury, gold, silver, lead, zinc, precious stones and non-ferrous metals.

It is well known that economy development of any country is impossible without foreign investments attraction. All states of the world independently of level of prosperity use local and foreign loans to provide stable development of economy branches and solve social problems.

Hydropower engineering, light industry, mining and working of precious stones and metals, complex ore, development of telecommunication and chemical industry, processing of agricultural products, honey, cotton, producing of vegetable and fruit juices, also commercial, financial-banking system, creation of tourism infrastructure are the priority investment spheres into Tajik economy.

Conduction of the World Chambers Congress in Dushanbe city will be a great impact for increase and improvement of foreign investments flows. Today we have secured official support of the President and the Government of the Republic of Tajikistan for the congress conduction.
